Attention of S. Wagner, Chief.

Dear Sir:-

Thank you for your note of May 7th calling attention to the fact that you did not receive the copy of the catalogue of the International Exhibition of Contemporary Medals ordered November 29th. This was sent at that time but it has doubtless gone the way of so many of the packages entrusted to the care of Mr. Burleson's assistants, and that you may not be delayed further, I am sending you another copy. Do you want another memorandum under the present date to cover this, or will the first invoice be sufficient? In case the first catalogue should be received subsequently you may return it.

Very truly yours,

Secretary.
